PERSONAL INFORMATION

Date of Birth: 07/05/2000

ID Number: 37968157

Gender: Male

Nationality: Kenyan

PROFILE

I am a dedicated and detail-oriented student in Information Technology (IT), with comprehensive knowledge in software development and Networking. I possess almost 2 years of practical experience in IOT and Machine Learning. My well-organized and self-motivated nature allows me to complete tasks efficiently and effectively with minimal supervision. As a confident leader and enthusiastic communicator, I have a proven track record of successfully managing projects and working collaboratively with teams. I am also certified in CISCO Networking and Cyber security.

OBJECTIVES

To enhance my skills and contribute effectively to an organization that values creativity and professional development. I aim to achieve a position of responsibility through providing high-quality services that benefit society.
